“My son had such an amazing, positive experience. Our party guide was wonderful and engaging. She really made the party special, and interacted so well with the children. The party was a great value, and all who were there had fun.”
—Amber, mom

“We had my son’s 6th birthday party at Morrill Hall and it was GREAT! The kids loved it, as did we and the other parents. You guys have thought of everything—and I just had to tell you how much we noticed, appreciated, and loved it. Thanks for making this an extra special birthday for our whole family.”
—Lindsey, mom

“The party was perfect! The boys had a blast, and our party guide was awesome! Six little 4-year-old boys are a handful, but she did a great job with them. We will definitely be back for a longer visit next time.”
—Kelly, mom
