Archie's LATE NIGHT PARTY!

Celebrate summer at Morrill Hall!
June 24 | 6:00–10:00pm

“Archie” and his fossil friends are staying up late to have fun with you and your family. All ages can explore science and natural history topics through hands-on activities. Regular Museum Admission.

- Mueller Planetarium will help you identify constellations you can see from your own backyard
- Wear your pajamas for bedtime stories with Archie
- Take a short walk to the UNL Student Observatory to look at the night sky through telescopes
- Learn about animals in your neighborhood that come out to play once the sun goes down
- Grab a snack in the “Fresh Thyme Snack Shack”
- NEW THIS YEAR: Science of Harry Potter
