

# UNIVERSITY OF NEBRASKA STATE MUSEUM

## Chaperone Information

---

Please review all the information in this packet to ensure a positive experience.

### **BEFORE YOUR ARRIVAL**

1. Double-check with your trip's organizer to confirm whether chaperones will be paying as part of the group or paying separately.
  - a. Only those paying with the group will receive the discounted group rate.
  - b. Chaperones paying separately must pay full price at the door; this is \$12.50 for admission and \$5.50 for a planetarium show, plus tax. Adult chaperones are not charged for gallery programs.
2. Ensure that you are aware of your group's schedule for the day. Punctuality for gallery programs and planetarium shows is expected.

### **FOOD POLICY**

Please keep in mind that food and drinks other than water are NOT allowed in the museum.

### **GROUP ETTIQUETTE AND SUPERVISION**

Please be respectful of our exhibits, staff, and other visitors while visiting the Museum (e.g. no climbing on exhibits, keep voices to a reasonable volume, etc.). Children should be supervised at all times.

### **PARKING AND ARRIVAL INFORMATION**

- Chaperones driving separately will need to park in the designated "Museum Parking Only" stalls to the east and north of the museum. Those who park in these spots will be required to give their license plate number to the front desk to avoid receiving a ticket.
- Please DO NOT park in the A or F3/D1 parking lots to the north. This is faculty and staff parking only and you will be ticketed.
- Accessible parking is available on the east side of the building. You may access the building through the east door.
- When you arrive, please check in at the front desk. Let them know you are with a group and purchase admission if you are paying separately. You will be able to wait in the lobby area until your group arrives.

## Chaperone Information

---

If your group will be participating in a gallery program or planetarium show, please read the following information carefully.

### **PLANETARIUM POLICY**

The planetarium is an add-on to the museum experience. Museum admission is required for planetarium access.

The Mueller Planetarium has a maximum capacity of 59 people due to State Fire Marshal regulations. Each person must be seated for the duration of the show. There are no exceptions for this as it is a safety hazard.

### **GALLERY PROGRAM POLICY**

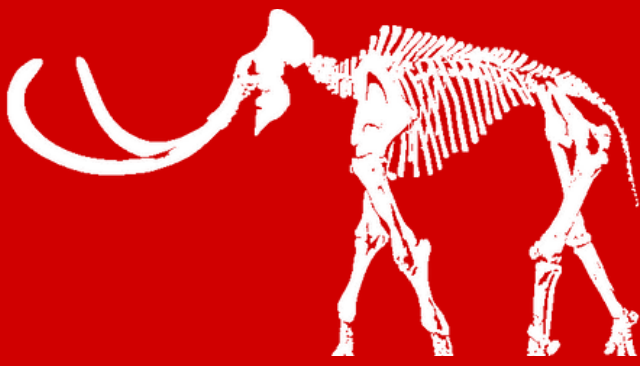

Gallery programs are educational experiences for students led by our Museum Education Team. Our Educator will walk the students through learning activities with hands-on components, where students are able to directly interact with museum specimens.

In order for students to have the best possible experience, we ask that any adults present take an observational, rather than a participatory, role. Please demonstrate good behavior for the students by listening quietly to the Educator.

Because adults do not have a direct participating role in gallery programs, we do not charge a fee for any adults in attendance.

### **CANCELLATION POLICY**

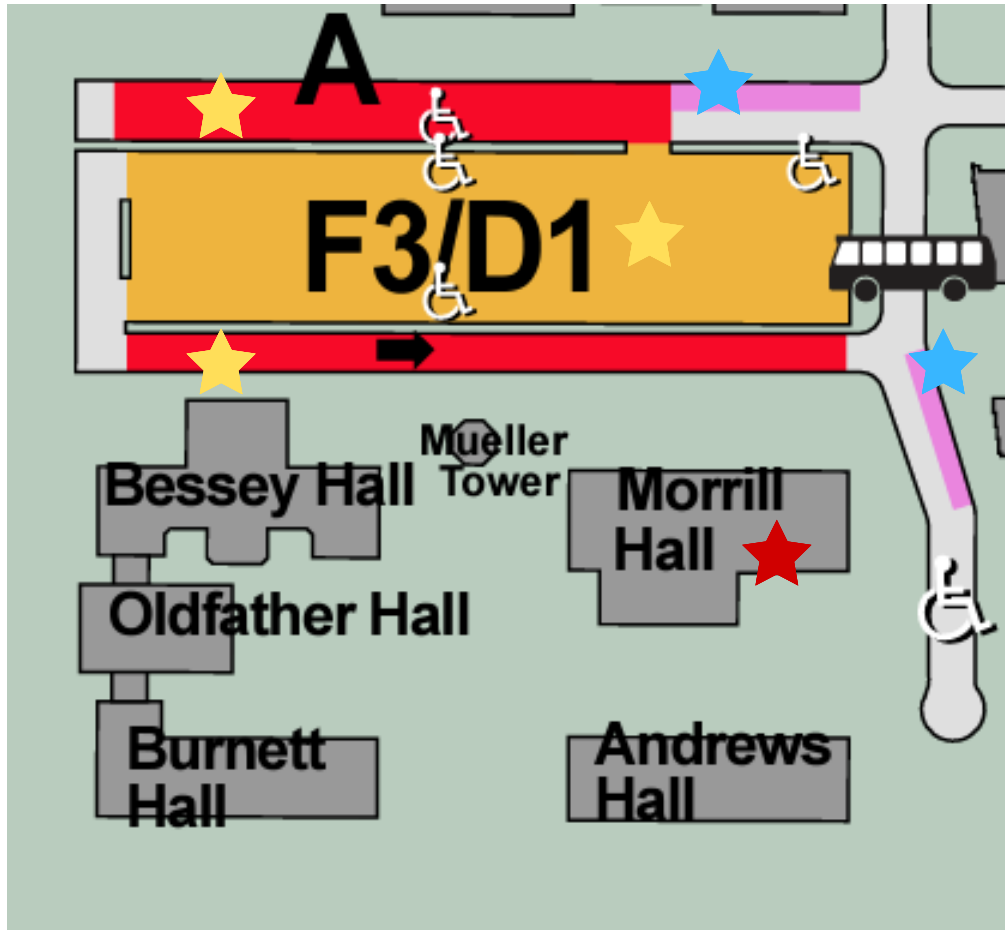

Punctuality is expected for planetarium shows and gallery programs. We reserve the right to cancel a program if your group is more than 15 minutes late or cancels with less than 24-hour's notice. A \$75 cancellation fee will be charged in such cases.
